POPULAR OPTIONS

- HARD TOP VISOR
- BAIT BOARD WITH BAIT TANK
- 3/4 FOLDING LOUNGE
- TRANSOM DOOR
- CABIN STORAGE

NO LONGER DO YOU HAVE TO CHOOSE BETWEEN A FAMILY FRIENDLY BOAT OR A FISHING WORKHORSE. THE CENTRE CABIN HAS AN OPEN LAYOUT, SHELTERED SEATING, STORAGE, WIDE BEAM AND HIGH SIDES GIVING COMFORT AND PROTECTION.

Designed with open water fishing in mind, this true walk around design and ergonomic layout makes this boat feel bigger than it really is.

The Tomahawk Centre Cabin features a hinged Rocket Launcher to easily fold down for storage and a SeaStar Hydraulic Steering System on all models. Biminis and clears are supplied by your local dealer.

Three Hardtop options are available on the Centre Cabin including the Enclosed Cabin Hard Top. See page 7 for more information on the Hardtop options and page 27 for popular optional extras.

The Tomahawk OFFSHORE features a 4mm High Tensile 5083 Aluminium plate hull (620 and over - 5mm bottom sheets) with a true Aluminium Self-draining Deck with Scuppers. Other OFFSHORE features include box pedestal seats for extra storage, transom door, transom storage hatches, the world's leading steering systems by SeaStar and more.

The CLASSIC models provide the same great ride

and plate hull construction as the OFFSHORE with a 4mm Marine Grade plate hull and quality BS1088 Marine Grade Plywood flooring dipped in anti-fungal agent and carpeted with Marine Grade carpet.

Standard on all boats is the V2 Plate Hull, a heavy duty FORMOSA MARINE designed Aluminium Bowroller suited to fit the BowActive Ladder option, heavy duty Dive Ladder and Tow-Catch™ for solo trailer deploy.

- FUEL TANK UPGRADE (SIZES 520 TO 580)
- BAIT BOARD WITH BAIT TANK
- KILL TANK

THE TOMAHAWK HALF CABIN IS THE ULTIMATE IN FISHING AND FAMILY FRIENDLY BOATING. THE DESIGN INCLUDES A LARGE INNER CABIN, PADDED BUNKS AND UNDER BUNK STORAGE PROVIDING PLENTY OF ROOM TO GET AWAY FROM THE ELEMENTS OR JUST SOMEWHERE FOR THE FAMILY TO RELAX IN COMFORT.

The wide beam, high sides, plate boat lock-cell

construction underfoot, wide cushioned cabin and rear folding lounge makes the half cabin comfortable and safe in choppy conditions when carrying several passengers. It is the perfect platform for fishing and overnight stays with the whole family.

The OFFSHORE model features a high tensile 5083 plate hull with a true Aluminium Self-draining Deck with scuppers. Standard on the OFFSHORE are

two (2) premium sliding seats on storage boxes with hatches, transom folding door, transom storage hatches and SeaStar hydraulic steering and more.

The CLASSIC models provide the same great ride and plate hull construction as the OFFSHORE with a 4mm Marine Grade plate hull. The quality flooring is BS1088 Marine Grade Plywood, dipped and carpeted.

Standard on all boats is the V2 Plate foam filled

hull, a heavy duty FORMOSA MARINE designed Aluminium Bowroller, heavy duty Dive Ladder and Tow-Catch™ for solo trailer catch and release. Your dealer can help you with bimini tops to suit.

Turn your Tomahawk Half Cabin into a Hardtop with four Hardtop Options available. See page 7 for more information and visit online for the full list of optional extras available for the Half Cabin.
